# The Smartseats

**Safely on the road with your favorite people.**

Our Smartseats stand for safety and the highest quality standards. All models have been tested and approved based on the latest UN/ECE regulations for M1 and M2 vehicles. This includes ECE R14, R16 and R17, which are part of the framework directive 2007/46/EC. They have also been tested in combination with the Smartfloor system floor. Our seats also leave nothing to be desired in terms of design, materials and comfort.

**You can choose from four different Smartseat models:**
